WOUND & BURN CARE

SERIOUS BURNS

FULL THICKNESS
BURNS

Context: A 3-year-old girl fell into a fire and sustained full-thickness burns over the left side of her neck and shoulder area.

Treatment Plan: Her mom was shown how to dress the wounds daily using **Trifectiv® Plus** with surgical & paraffin gauze.

Results: The wounds recovered without scar contracture after thirty days.

Tip: Teach parents to dress these wounds at home.
