trifectiv® plus WOUND & BURN CARE

SKIN INFECTIONS & IRRITATIONS

MILIARIA RUBRA
OR PRICKLY HEAT

Context: A 3-week-old infant presented with miliaria rubra (prickly heat) of the face.

Treatment Plan: Trifectiv® Plus was sprayed onto the rash three times a day and left to dry. It was not rubbed in.

Results: The rash had cleared by day 2.

Tip: On infant skin, spray only. No other products, no rub, no dressing.
